Welcome to Mainely Lobster ... We hope you will enjoy your visit.

Mainely Lobster and Seafood was established in June of 1989 as an itinerant seafood business. Each week, we would travel to Maine to buy lobster and fresh fish, then return to sell our products from the back of our truck. In September of 1989, we purchased a second truck and began selling lobster and fresh fish in Saranac Lake as well. On March 16, 1990 we opened our first seafood place on the Military Turnpike in a small vacant building that we renovated to fit our needs. Finally, on October 25, 1995, we opened our new place here in the O'Brien Plaza.

The idea behind Mainely Lobster was and still remains quite simple. We want to be the North Country's source for native Maine seafood. We continue to travel to Maine for all our seafood. At least twice each week, we make the trek across Lake Champlain, the Green Mountains of Vermont, the White Mountains of New Hampshire, and finally to the coast of Maine. Once there, we pluck our lobsters directly from the ocean and have our fish cut to order from that day's catch. It's the only way we can guarantee that you get the fresh taste and quality seafood that you deserve.

All the meals at Mainely Lobster are prepared in a traditional Down East manner and served in portions designed to satisfy even the hungriest of appetites. If there is anything we can do to help make your visit more enjoyable, please let us know. For now, we invite you to sit back, relax and get ready to enjoy some seafood that we hope you will find to be WICKED GOOD!

*Thank you.
